Thank you for your RSVP to Emerson's Graduate Open House!

We are looking forward to meeting you at the Graduate Open House on Saturday, November 7, 2009. The following tentative schedule overview and component descriptions will help you make the most of the day.

Registration and Breakfast

Start your day in the lobby of the Little Building (80 Boylston Street). We'll be there to welcome you and give you materials for the day, including an updated schedule with location information. Please arrive between 9:00 and 9:30 am EST.

Graduate Program Overview

We know this is the most important part of the day, so we've scheduled plenty of time for faculty and students from the department to share information with you about your program of interest. You'll learn about the program structure and course offerings, hear about employment opportunities, tour the facilities, participate in a classroom exercise, and get any questions you have answered from a faculty/student panel.

Financial Aid

Attend the financial aid session to learn the ins and outs of financing your graduate school education, from merit aid awards to need-based loans, private loans, and scholarships. Financial Aid representatives will also be available for one-on-one consultations.

Career Services

Our Career Services professionals are experienced in helping creative people find exciting jobs and internships in both traditional and nontraditional fields. Let us help you find the right path.

Off-Campus Student Services

Whether you'll be relocating to the Boston area or are a native New Englander, Off-Campus Student Services can help you locate housing and meet potential roommates.

Graduate Admission

The Graduate Admission team will be available all afternoon to answer any of your questions about the application process one-on-one. We want to be sure you don't leave campus without having all your questions answered.
