

**MEDIA  
PRODUCTION  
WORKSHOP**

**CE0452**

**Location Lighting**

Two sessions  
offered fall semester  
\$240.00

\*You may enroll in this workshop until November 11,  
on a seat-availability basis.

This two-session workshop introduces students to the basic practices and principles of location lighting. Students will get to light a variety of set ups under a variety of different conditions. Emphasis will be placed on the properties of light and the practices involved in creating dramatic and naturalistic lighting effects.

Fall 2009 schedule:  
Saturdays, November 14 & 21  
12:00–4:00 pm

Contact the Department of Professional Studies at Emerson College at **617-824-8280**.
