GRADUATE FULL-TIME EQUIVALENCY CERTIFICATION

A graduate student who is working full-time on a master's thesis or project and is registered for less than full-time status may petition to have his/her enrollment status certified as full-time by the Registrar for the purposes of loan deferments, Immigration and Naturalization, or the Selective Service.

NOTE: Graduate students may only be granted full-time status by virtue of their thesis or project work for one (1) fall or Spring semester or two (2) consecutive summer sessions, and must be registered for at least one (1) thesis or Continuing Student Status credit for that term.
