What aspects of an Emerson education do you value that are unavailable elsewhere? How does Emerson fulfill those expectations?

What inspired your son/daughter to apply to Emerson over other schools? Why were you supportive of his/her decision to attend?

What are some specific ways that your child benefits from his/her education at Emerson? (Are there things you feel he/she is able to do at Emerson that he/she might not be able to do at another school?)

What is a key piece of advice (from an admissions perspective) for other families? What was or would be particularly helpful in the admissions process?

Are you currently involved in any parent activities at Emerson? Are there any specific programs you would like to see us implement ease your mind about your child's transition?
